Apologies:	

1. Announcements

Two members of conwy council came to talk to the Eco council about recycling at school

They were very impressed with everything we already have in place.

2. Discussion

How to recycle better in school

Trip Abergele recycling centre to see how recycling is recycled and processed

3. Actions

To make designated bins for PTA events, Like a bin for bottles and then sweet wrappers in the other bin. Make sure the plastic is recycled correctly after these events.

Rubbish/Bin Audit to see what is being thrown away in the day and whether there is anything we could recycle.

HH To research how to make bees wax wraps

Contact Conwy about having compost delivered for the garden

4. Top Tip Of The Eco Meeting

Make a big christmas card for the class, to be displayed in the classroom instead of individual cards.
