Attendees: Dixie, Dolly, Tillie, Gracie, Hollie, Jemima, Aiden and Bonnie

Apologies: Caine, Katie

1. Announcements

- This term is going to be a creative wildlife half term!

2. Discussion

- Miss Evans explained how each week this half term we will be making something for our wildlife. Hollie suggested a butterfly house, Aiden suggested a bug hotel, Tillie also agreed with this. Bonnie said we should have things for the bees.

3. Actions

- We went outside to the woodland area and noticed there were already pallets from a previous bug hotel so we decided to add to this one with sticks, moss, leaves, logs and looked for different mini beasts.

4. To do for next week:

- Bring in 2L plastic bottles to make bird feeders next week
