

Eco Warriors Minutes 26.04.23 & 3.05.23

Attendees: Dixie, Dolly, Tillie, Gracie, Hollie, Jemima, Aiden and Bonnie

Apologies: Caine, Katie

1. Announcements

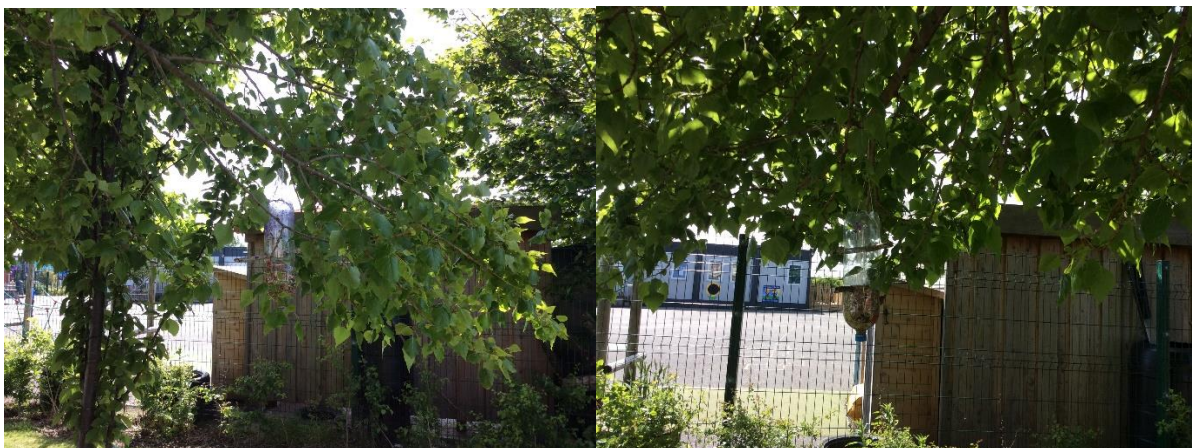

- Congratulations on earning the Platinum Eco Flag Award!

2. Discussion

- We have been invited to a National Eco Meeting with other Platinum eco members on the 24th May however only 4 members can attend so Miss Evans will choose this out of a hat to make it fair but everyone will be able to input ideas before we go and will be filled in when we get back.

3. Actions

- We brought in old 2L plastic bottles to recycle and make into a bird feeder following instructions on our Pupil voice google classroom. We painted them and added bird seeds and hung them in our woodland area.
- We decorated paper plates and added old citrus fruits that wouldn't be sold at playtimes in the Fruit Tuck and put them out to encourage butterflies.

4. To do for next week:

- If you received a letter for the eco meeting fill out the consent form and return to Miss Evans asap.
