

Eco Warriors Minutes 28.09.22

Attendees: Tillie, Jemima, Dixie, Logan, Kaine, Bonnie, Gracie

Apologies: Theo, Katie, Austin

1. Announcements

Environmental review needs doing today.

2. Discussion

Logan - do more work in books, less photocopying, class litter pick, work with a garden centre, promotion posters for the eco club.

Kaine - raise money for eco charities across wales and our school by doing a school bake sale. Discussed how a bake sale isn't related to eco and suggested a bird feeder make and sell. Kaine suggested selling plants that we grow from a garden centre seeds.

Bonnie - compost bins, £37 links with Kaines idea to sell plants to raise money to buy compost bins.

Jemima - suggested to keep seeds from fruit we eat and we can use that to grow plants.

Kaine - recycling bins in the school and outside on the yard with posters to encourage people to recycle and compost their food and rubbish.

3. Actions

Do a environmental review biodiversity

To do for next week:

- Go back to your classes and ask them what they want from the eco warriors and how our school can be more eco friendly
- To research what pollinator friendly plants we should plant in our school grounds to attract pollinators
