Attendees: Tillie, Bonnie, Dixie, Caine, Jemima

Apologies: Katie, Aiden, Logan, Gracie and Hollie

### 1. Announcements

- Meeting at 12.00pm next week to see if attendance is better, meeting then eat.
- RSPB Big Bird Watch 2023 forms
- Eco code competition
- Waste assembly

### 2. Discussion

- Miss Evans asked about why we think some people haven't been coming to meetings. Jemima said she thinks people forget and maybe we should send a message around on Wednesday mornings. Miss Evans suggested we trail going for a meeting first and then lunch next week.
- Bonnie and Tillie discussed they had done the bird watch but their friends were not as interested. We discussed that next year it might be better to do it in school time instead.

### 3. Actions

- We created an announcement on Pupil Voice about an Eco code competition for the whole school to enter.
- Bring any bird watch survey sheets to me to count and submit
- Ideas for assembly, US warriors helping Miss Evans to make the PowerPoint and script, LS make the posters for the bins
- 

### 4. To do for next week:

- Think of what you want on the script/ powerpoint for assembly
- Tell your class about the eco code competition try and get as many children to enter
- Miss Evans will organise a date for assembly
