Aim to learn, learn to succeed ~ Anelu at ddysgu, dysgu i lwyddo

December, 2025

Dear Parents and Guardians,

Our very last letter of the Autumn Term already! I always feel very privileged to be a Headteacher in a school at this time of year especially. It has been so wonderful seeing the fun and happiness as the children have enjoyed all the Christmas time activities – family craft sessions, festive singing, Panto and film and fun at school for those who didn't wish to go...plus lots more! I must say a huge 'well done' once again to our whole school community for the Christmas Concert. The effort and dedication from the children and staff was amazing, support from our volunteers was so kind...and to see so many family members coming to support was truly heart-warming! Thanks to everyone - Diolch i bawb 😊

As usual, teachers have plenty of exciting learning planned for next term so I'd like to wish you all a peaceful and happy Christmas. We will reopen for our children on **Tuesday 6th January** in the New Year. We look forward to seeing them back here with us refreshed and ready to enjoy school life here once again in the Spring.

Kind Regards,

Ms C Foulkes
(Headteacher)

If you have additional needs relating to disability, language or cultural issues with which you require assistance at a particular school event, please contact us to arrange the assistance required.

Message from Ms Pye & Mrs Blears, (Head of Curriculum & Inclusion):

As we come to the end of a busy and exciting term, we would like to celebrate just how amazing the children have been. They have shown dedication, enthusiasm, and resilience in all aspects of school life, making excellent use of all our school's Learning Superpowers. Their hard work has enabled them not only to enjoy the wide range of topics covered this term but also to make fantastic progress across the curriculum.

This term, the children have also taken part in several important events, including Children in Need Day, Diabetes Awareness Day, Armistice Day, and Anti-Bullying Week—during which a number of learners from Years 5 and 6 took part in the live BBC

episode. We were incredibly proud to see our pupils represent the school so brilliantly. Selected Year 5 and 6 learners also achieved success in a recent Urdd Football Tournament, and many Year 5 pupils completed their Cycling Proficiency course—da iawn pawb!

All classes brought the 'To Infinity and Beyond' Space Topic to a close with a fantastic community event. We would like to thank all parents, carers, and family members who joined us for the Space Gallery. The children loved sharing their learning with you, and the gallery showcased not only their growing knowledge but also their wonderful creativity.

As we move closer to the Christmas holidays, it felt very fitting that this year's Christmas work and production centred around some rather unexpected guests from outer space! Through this fun and imaginative theme, the children embraced and shared some key Christmas messages: kindness, gratitude, and the importance of spending quality time with loved ones. All classes were also invited to a special Christmas event at St Mary's Church in Towyn, and we once again enjoyed a fantastic turnout for our annual Christmas craft session—thank you to everyone who came along to support.

We are exceptionally proud of every child for taking part in our whole-school Christmas production—they all shone so brightly! And, as always, we ended our busy term with a visit to the local pantomime in Rhyl. A wonderful way to celebrate all their hard work. *Oh no it isn't! ... Oh yes it is!*

Finally, we would like to wish all families a peaceful, joyful, and restful Christmas break. Thank you for your continued support throughout the term. We look forward to welcoming everyone back in 2026!
