

Free School Meal Provision.

During the current situation the aim is to provide all eFSM learners, who are not self-isolating, with a Free School Meal.

- Provision for learners will start from Tuesday 24.03.2020
- Learners will receive a cold package of lunch to take away and eat at home.
- **Please confirm by 2.00 pm today if you wish to have this lunch every day for the foreseeable future**
- The collection point is at Kinmel Bay Church

Collection Times

To avoid a large gathering and to maintain social distancing learners need to collect their lunch at the following times. It is really important that these times are strictly adhered to.

Ysgol Y Foryd	11.00 am – 11.30 am
Ysgol Maes Owen	11.30 am - 12.00 pm

There will be volunteers to help handout the Free School Meals. If you are self-isolating and do not have anybody else who can collect your meal, please let us know. Kinmel Bay Church volunteers will try their best to arrange an alternative.

Please ensure that you wash your hands thoroughly before collecting and maintain social distancing at all times.

This provision will be reviewed each week.

If you don't confirm by 2.00 pm today if you wish to have this lunch, then you will not be allocated one.

We, as always, appreciate you support at this difficult time.
