- Create a mind map or a photomontage of your class country
- Find out about famous people from your country, create a fact file for one of them
- Plan a week visit to your class country. Include: How would you get there? How much would it cost? Where would you stay? What would you do there?
- Imagine that you have visited your class country. Write a postcard / diary explaining what you've seen or done.
- Watch some adverts on TV or have a look through some magazines or newspapers, note down or cut and paste some great advertising slogans
- Write a review for a meal you've eaten at home, at school or had in a restaurant
- Write a shopping list for your parents in Welsh
- Go online, price and calculate the shopping list
- Imagine you have £50 to spend on an end of term party for friends, how would you spend the money? Would you have any change?
- Investigate one or more of the following statements and test whether it is true;
 - Your arm span equal to your height.
 - The circumference of your head multiplied by 3 is the same as your height.
 - Your foot is as long as your forearm.

Good luck and enjoy! *“What we learn with pleasure, we never forget!”*
