

Aim to learn, learn to succeed ~ Anelu at ddysgu, dysgu i lwyddo

Lower School Homework Grid Autumn Term 2020

Down in the Jungle!

- Complete activities in Row 1 regularly, every week
- Choose at least 6 of the following activities to share with the class at the end of this term, Friday 30th November

All activities to be completed in your homework book or created and posted in your Google Classroom.

Currently we are not encouraging pupils to bring items into school, however work posted in the Google Classroom will be shared regularly throughout the term.

| Row | Activity | | |
|-----|--|-----------------------|----------|
| 1 | Reading | Practise times tables | RM Maths |
| 2 | <ul style="list-style-type: none">• Make your own jungle in a box• Research the best plants to plant in October and plant some suitable plants• Make a terrarium• Create a weekend weather report in either English or Welsh!• Go for a nature walk, what different plants did you see? This could be presented as a list, in a table or collate the data in the form of a tally chart. You could even graph your data.• Outdoor numeracy - Using a tape measure, find the length/ height of different natural objects in the outdoors. First estimate then measure. How accurate was your estimate? Place the objecting in size order.• Make a musical rainforest rain stick• Create your own rainforest cocktail, write up a recipe• Research tribes in the Amazon. What is the name of the Tribe? How do they use the forest? What makes the tribe different? You can decide how you present your work, it could be a fact file, a poster or even a filmed news report.• Research an animal/insect who uses camouflage to protect itself from predators. | | |

Good luck and Enjoy! *"What we learn with pleasure, we never forget!"*
