The Ambassadors held a Duolingo Club.

### **III. Assignments / Actions**

As we had a low number of Ambassadors today it was a little tricky for the ones that were here to show and help all the children that came to the Duolingo Club, but they all enjoyed themselves. The children were able to choose between French or Spanish. The children are going to keep reminding the classes that they are holding a Duolingo Club every Monday. Mrs Jones is to announce again in service about the Duolingo Club.

### **IV. Safeguarding / Wellbeing**

All the children who attended today were happy to be at the meeting.
