### **III. Assignments / Actions**

The Ambassadors held another Duolingo Club, we had lots of attendees. We briefly discussed if they would like to have a go at any other languages or were they happy to stick with French or Spanish. The children are going to ask Mrs Foulkes if they can remind the classes during an assembly that they are holding a Duolingo Club every Monday. They also had a brief discussion as to whether the club should be during their meeting time or at another time during the week – they will all come together with a decision.
