Spanish Greetings.

Assignments / Actions

In today's meeting the children watched a video all about Spanish greetings and had a go at saying them all out loud and to each other. Mrs Jones had printed off the Spanish greetings on a poster and the children took them back to their own classes to share with their classmates. The children have been asked to come to next week's meeting with some ideas of how we can share Spanish throughout the whole school.

Safeguarding / Wellbeing

All the children who attended today were happy to be at the meeting and excited about discussing ideas for what we could make for our Christmas Fayre!
