II. Agenda Topics.

Today's agenda was to discuss in more detail the Ambassadors idea of holding an International Ambassador stall by the end of next term.

III. Assignments / Actions

The Ambassadors had got together to discuss holding their own stall. They discussed today what they could include on the stall. Food tasting, games, information, international dress, teaching of the language and songs. We discussed whether if we held it on the last week before May half term holiday would this give us enough time. A decision will need to be made as to when the stall can be held – a dinner time or after school?

IV. Safeguarding / Wellbeing

All the children who attended today were happy to be at the meeting and very excited about the stall.

V. Next Meeting Date: 28th April 2025
