

Logging into Hwb, Google Classroom and Flipgrid

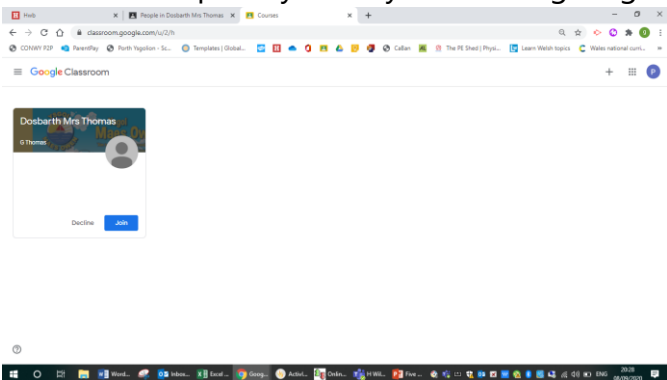

1. Go to <https://hwb.gov.wales> and login with your username and password.

2. Click on 'Google for education'

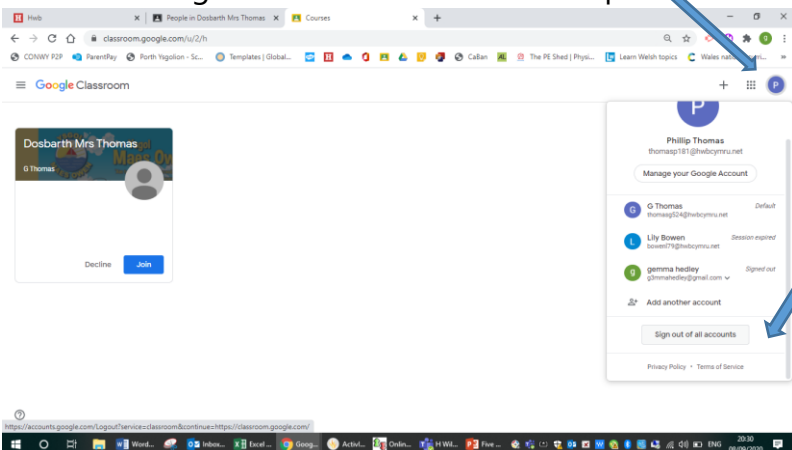

3. At this point you may have to login again – use the same username and password

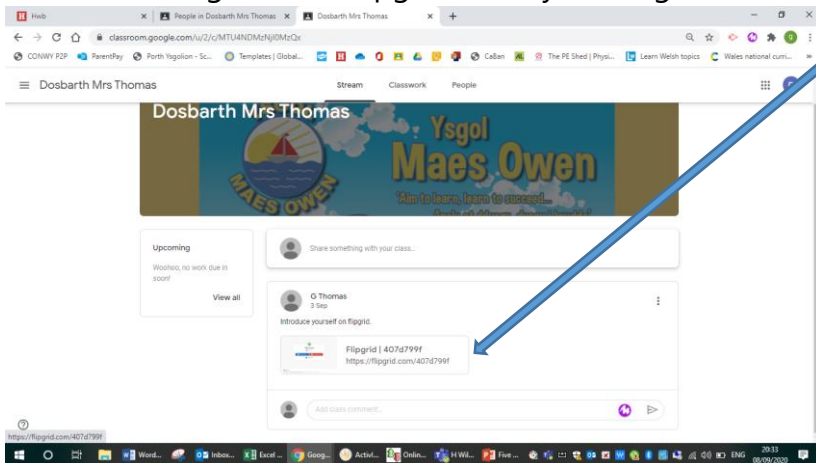

4. The classroom should appear just click join.

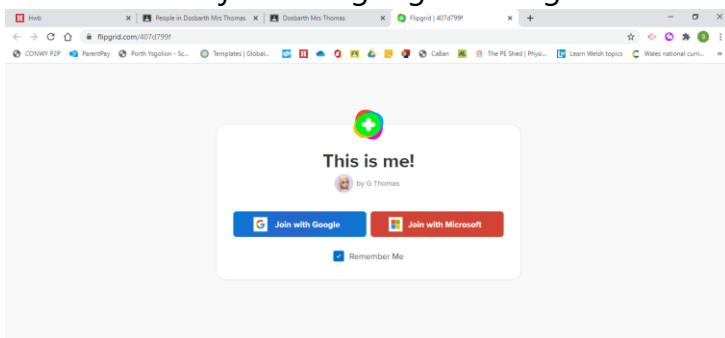

5. If the classroom isn't there click on the circle with the letter and sign out of all accounts then sign in with the username and password.

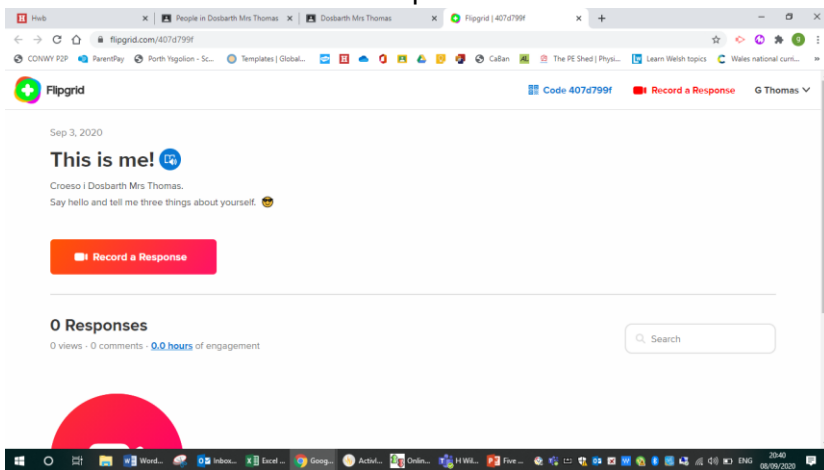

6. Have a go at the Flipgrid task by clicking on the link in the classroom.

7. Click on join with google and sign in with the same username

8. Click on 'Record a Response' to create a video

You can also download the Google Classroom and Flipgrid apps on Android and Apple. Make sure that you sign in with the Hwb username and password.
