

May, 2025

Dear Parents and Guardians,

As we come to the end of the first half of the Summer Term, I'd like to remind you of the key dates for the final half term of the current academic year – it is flying by! They have been included below, but I will let you know if anything changes! **Do let the School Office know if you'd like a paper copy to go on your fridge! After school clubs will start again straight after the half term break.** Please don't hesitate to contact the School Office should you need any further information regarding anything at all.

It was sad to see Towyn Fun Club finally close its doors this week. Both schools once again wish Chiara and the wider staff there all the best moving forwards. The current situation from the Local Authority is that they are still in talks with a local provider to see how best to get the provision up and running again, however this may take some time. As soon as we know more, both schools will ensure you are all updated.

Wishing you all an enjoyable Half Term break and we look forward to seeing the children back here refreshed on **Monday 2nd June** 😊

Kind Regards,

Mrs C Foulkes
(Headteacher)

If you have additional needs relating to disability, language or cultural issues with which you require assistance at a particular school event, please contact us to arrange the assistance required.

Message from Miss Pye & Miss Blears, (Head of Curriculum & Inclusion) :

As we reach the end of this half term, we wanted to take a moment to celebrate the fantastic learning and achievements your children have been part of over the past few weeks.

We began the half term by launching our exciting new topic, "Dyma Fi! This is Me!" The children were inspired by our very own school job fair, where friends of our school kindly came in to share their experiences and careers. This was a

wonderful opportunity for the children to explore a range of job roles and begin thinking about their own aspirations for the future. A huge thank you to all who supported this event - it was truly memorable and sparked lots of great questions and discussions.

Throughout the term, the children have also been working incredibly hard on their Welsh Government Assessments. We are so proud of the resilience, determination, and focus they have shown. They've really demonstrated their Learning Superpowers, and it's been a joy to see them approach challenges with such a positive mindset.

Looking ahead, preparations are already underway for our much-anticipated Sports Day, taking place next half term. The children have been busy practising their skills and are very excited to showcase their talents and teamwork. We do hope you'll be able to come along and support the event - more details will follow soon!

Wishing you all a restful and sunny half term break.
