

PUPIL VOICE NEWSLETTER

The School Councillors

Our School Council make a REAL impact here at Ysgol Maes Owen.

- Representatives are from every class!
- Raising money for charity and for the school and we often act as a voice for concerns other children may have.
- The School Council meet to discuss the views and ideas from pupils.
- Hold meetings and present in assemblies and to the Governors of our school.
- These discussions are then fed back to the rest of school.

Criw Cymraeg Updates

The Criw Cymraeg is made up of 15 learners from each class. Our main aim is to encourage the use of the Welsh language around the school. This term we aim to:

- Revise the Campus Cymraeg Bronze Targets
- Secure funding for resources
- Train Criw members with delivering Welsh games on the yard

Eco Warriors Updates

We have got Eco Warriors from across all classes of the school. We meet every Monday to discuss ways to make the school and community a more environmentally friendly place.

Our school achieved the Platinum award last year so our main aim this year is to continue the excellent work that has been done.

We have already attended online meetings with Keep Wales Tidy and other Eco schools across Wales to learn about eco schools and share ideas of how to make our school even more environmentally friendly. Keep an eye out for our Top Tips Coming soon...

- Set up class mascots and organise rewards to those making great effort with siarad Cymraeg in our school!
