

Supporting Service children in Education

At Ysgol Maes Owen we are committed to understanding the needs of all learners and supporting them with their unique experiences throughout education. One such group that we aim to support is children of Armed Forces personnel.

Our school recognises that the child of a Service family may at some point in their lives need support with their learning, settling into new situations and/or mental health and wellbeing, as a result of their unique circumstances. This could be due to mobility, deployment, separation, transition, education and/or social needs.

If someone in your family is or was in the Armed Forces please have a chat with Mrs O'Connor or get in touch by email occonnorm5@hwbcymru.net
