

PTA Newsletter Spring 2020

A message from the Chair...

Hello everyone!

I do hope this belated Spring newsletter finds you all safe and well. I am missing the children very much and I am also missing the parents I usually chat to on the yard before and after school. It's times like this when we start to appreciate things we usually take for granted and our supportive, friendly, happy school family is one of these things! I was so sad to have to cancel our Easter Bingo event, those of you who regularly support this event will know how much fun it is! During summer term, I am usually busy planning and organising things for our Year 6 Leavers and I want to reassure you all that I am still thinking about this and will let you know our arrangements in the next newsletter.

Until it is safe for us to meet again, please take care of yourselves and each other!

Best wishes,
Mrs James (Chairperson)
