

Parent Pop In – Tuesday 8th May, 2018

Parent Pop In

Notes taken by Mrs Foulkes (Headteacher)

Present:

Mrs Foulkes, Mrs McEwan-Williams, parents/guardians

Discussion Points and Actions:

- Talked about the car parking situation and a parent raised the lack of drop-kerbs on the way to school. Both schools have learners attending who regularly use a wheel chair. CF to liaise with Mrs Rowlands regarding this to see where it was up to and then ask Tracey Peers (Business Manager) to move forward with this. From Cader Avenue to school. Ask about Wheel Chair Keith.
- Discussed the new approach to homework. A variety of input, feedback and opinions. Reminder about the Homework Club on a Friday with Mrs Lumsden.
- A feedback form will be sent to parents/guardians and learners at the end of the Summer Term
- Update regarding the positive reward system and the collection of tokens to ensure they all benefit from the half termly reward
- Seesaw trial – CF explained that it was extremely work intensive but that the School Website and Twitter are constantly updated. One parent/guardian had recently used the new website and was very positive about it
- Talked about body confidence and how CF is thinking of speaking with the Governors about lessons for upper school

Meeting closed at 10.10 am. Date of next meeting is Tuesday July 3rd at 9.00 am
