

Parent Pop In

Next Meeting

**Friday 24th
November at 9am**

Everyone welcome!

**Our Parent Pop In
suggestion box is
situated by the
main door to the
office**

Parent Pop In News

Our Parent Council met again for a coffee and a chat recently and we have decided to change slightly! We will now meet for coffee and a chat and call it a 'pop in' instead. It will be very informal, yet at the same time you will be able to suggest changes and ways forward for the school – exciting!

School site safety

Parents and families are still concerned about the road outside our school before and after school. Please can car drivers adhere to the no parking areas and if at all possible walk to school! It is very frightening there sometimes. Please can you also push bikes and scooters when on the school site for the safety of us all – especially very young siblings!

School Dinner Theme Days

Parents and families feel that the children enjoy the theme dinner days. Mrs Foulkes has emailed Head of Catering to see if these can be more frequent!

Uniform

When there is a build-up of unclaimed uniform at school, we will on occasion sell it for donations on the school yard. If however you'd like an item, please pop to the school office and ask what we've got!

'You asked, we did'
