## The School Councillors

Ysgol Maes Owen pupils have spoken!  
Results for #MegaMaths Survey

We conducted a survey to find out how the pupils in Ysgol Maes Owen enjoy #MegaMaths. Pupils from every class across the school completed the survey to give us our results.

We have gone on learning walks around the school looking for Maths \* Numeracy  
We have enjoyed presenting in our assemblies!

## Criw Cymraeg Updates

Tymor hwyl iawn i'r Criw Cymraeg!  
The Criw have had a fun Spring term sharing new initiatives around the school and we've also welcomed Mrs Thomas back from her Welsh sabbatical. Find out more in our Podlediad Cymraeg. We have shared what we've been up to and what we have planned in our Criw Cymraeg Podcast - take a listen, subscribe and like! Pasg Hapus pawb!

## Eco Warriors Updates

We have had a very busy spring term!  
Our new garden is now finished and the gardening club are taking care of our new fruit and vegetable plants which we hope to harvest in the summer term. We have worked with Keep Wales Tidy and took part in a litter pick in the community woodland area. Over the last 2 weeks we have taken part in the walk and wheel survey and the results show that Dosbarth Miss Blears took the most active journies during this time so da iawn Dosbarth Miss Blears and Pasg Hapus pawb!

## European Ambassadors

To welcome all the children back after the Christmas break, we designed and displayed 'Hello' posters in different languages around the school. We had the opportunity to combine meetings with the Eco Warriors to discuss, research and vote on an international playground game that both groups could play on our yard. The Ambassadors have set up their own Duolingo Club to offer taster sessions to all children at lunch times to give them the opportunity to learn a bit of French or Spanish - it has been a huge success!
