

Jumping Into the Juniors Year 3 Parental Questionnaire

Dear Parent / Guardian,

We're half way through the first half term and your little boys and girls have transformed into junior school pupils! They are working hard and are a credit to both the school and their families. The journey and preparations that your child began back in Summer Term feel like a long time ago now.

The success of this year's transition project has been amazing; your children have settled into school life so effortlessly and we are very proud of the fact that "Jumping Into The Juniors" has been highlighted as an example of "Good Practice" and we have been asked to share it with other schools in the area.

This year the transition process was amended due to circumstances out of our control. Lessons that we had planned had to be amended to share online with the children and families. We'd like to find out what you thought about the transition process from Ysgol y Foryd to Ysgol Maes Owen.

- Is there something that we have missed out?
- Is there something that you have been really impressed with?

We'd like to ensure that our transition process "Jumping Into The Juniors" continues to go from strength to strength. As parents / guardians, your thoughts and feelings are very important.

Please could you take a few minutes to fill in this questionnaire? Can I ask that it can be returned to school no later than Friday October 16th.

With my thanks for your continued support of our school,

Miss T Pye

Head of Lower School
