## **III. Minutes**

### **Assignments/ Actions**

1. Improving the standards of reading survey for each class to complete.
2. Organising listening to children read across the school.
3. Discuss holding a Fairtrade assembly.

- Producing a survey identifying the genres children enjoy reading and how the guided reading activities are impacting learning.
- Create a feedback sheet to comment on learners' reading.

EM, FA and FA gave the group information regarding their findings on their learning walk around the school. Positive points were noted regarding the use of reading rewards systems as well as classes giving their own prizes for excellent readers at the end of each half term.

FA proposed the use of organising a timetable for each school council member to listen to a reader. Following this EM decided a 'feedback' sheet would need to be created to ensure all school council members are asking the same, relevant questions.
