

Aim to learn, learn to succeed ~ Anelu at ddysgu, dysgu i lwyddo

Dosbarthiadau Miss Pye, Mrs Thomas & Miss Blears

As a school we have developed our own curriculum, enabling our learners to develop all four purposes of the curriculum – the starting point and aspiration for every child and young person in Wales. We have adopted a themed approach and pupils have the opportunity to voice what they would like to learn which we have linked to Welsh Government requirements; therefore making their learning more purposeful and most importantly more enjoyable!

Class Café & Marvellous Me!

Language, Literacy and Communication

Along with their weekly phonic / spelling and reading sessions, children this term will have the opportunity to work collaboratively in presenting work. They will be exploring recipe and persuasive writing within advertising and invitations. In our Welsh sessions they will recount events, reading, writing and performing poetry and scripts in addition to writing an autobiography.

Mathematics & Numeracy

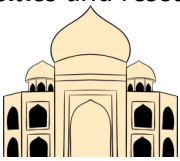

Year 3: Addition, subtraction, multiplication & division. Statistics and data. 2D shapes, time, weight, fractions and money, calculating profit..

Year 4: Place value, decimals and fractions. Addition, subtraction, multiplication & division. Area and perimeter. 2D & 3D shapes. Coordinates, data handling and money, calculating profit.

Humanities

This term children will be researching their class country. They will be exploring maps of the world, finding out about the continents, capital cities and researching key landmarks and buildings.

Expressive Arts

Within this area, children will have the opportunity to explore advertising music and will be composing their own. They will learn about logo making and art from around the world, create their own ready to sell at the café. During the second half term, children will be exploring and creating a self portrait for their ROAs.

Science & Technology

Our main focus for Science & Technology this term will involve food and learning about our bodies. We will also complete work on the human skeleton.

Health & Well-being

All children will have opportunity to explore a number of sports this term including cricket, football and tennis. Linked in with our Marvellous Me topic, we will also explore peoples vales, attitudes and relationships and will be working on the importance of a balanced diet. Children will also complete a Speak out, Stay safe lesson.

Literacy, Numeracy & DCF skills are taught through all subject areas.
