

Aim to learn, learn to succeed ~ Anelu at ddysgu, dysgu i lwyddo

Dosbarthiadau Miss Pye, Mrs O'Connor, Mrs Leyshon & Mrs Thomas

This Summer we are continuing a pupil led themed approach to our teaching and learning. Pupils have the opportunity to voice what they would like to learn and teachers have linked these to Welsh Government requirements; therefore making their learning more purposeful and most importantly more enjoyable!

Literacy, Language and Communication

This term we will be reading the book *The Demon Headmaster*, making notes on and using evidence to explain events or ideas. working on inference, using predictions, and learning how writers use different structures to create coherence and impact. Pupils will have the opportunity to write for a variety of purposes, including : A character profile, diary writing, script writing and informal letter writing.

Welsh text: Using 'Yn yr Ysgol', reading timetables for information. Oracy tasks include describing others and giving opinions.

Mathematics

Multiplying by 10, 100 and 1000. Multiplying using the grid and short method. Understanding multiples and factors. Understanding fractions and percentages. Working with decimals, ordering, adding and subtracting. Division work using different methods. Understanding time including the 12 and 24hr clock . Reading and interpreting calendars and timetables. Number sequence work and simple algebra. Working with money. Collating, reading and interpreting data.

Topic—Ein Hysgol Ni! Our School!

In our last term of this academic year, we will be looking at our wonderful school and celebrating 71 years of Ysgol Maes Owen, formerly known as Towyn Junior school. We are hoping to collect some old photographs of Towyn Juniors and would be most grateful if any could be emailed to your child's class teacher.

History—History of our community and Towyn Junior school, children will plan and host an event celebrating 71 years of Ysgol Maes Owen. Pupils will experience a Victorian school day and compare how schools have changed over time. **Science**—Electricity—Creating circuits. **Geography**—Map skills. Locating countries. **Design & Technology**—designing and making a new school. Designing and making a healthy packed lunch. **PSHE**—Our bodies **PE**—Cricket. Sports Day activities; sprinting, relay racing, javelin and discuss throwing.
