Aim to learn, learn to succeed ~ Anelu at ddysgu, dysgu i lwyddo

Tuesday 19th December,

Dear Parents and Guardians,

It has been yet another quick and enjoyable half term! We have packed so much in; some of the highlights to be found towards the bottom of this Newsletter.

Break time, lunch time and after school Clubs are due to resume the **second week back after the Christmas break**. These are run by school staff giving up their own time, so I'm always grateful 😊 **All Clubs are free of charge apart from Cookery. The Clubs will remain as they were last term initially.** Please see the list below as a reminder:

I will let you know of any future dates for 'Kick It!' after school Club when we have them.

All our school staff are extremely approachable so please do pop and say hello to us when you see us on the school yard. As always, if there is something you would like to discuss with your child's class teacher or myself, please do make an appointment via the School Office. Wishing our whole-school community an enjoyable and restful Festive break. We look forward to welcoming all children back to school on **Monday 8th January**.

MERRY CHRISTMAS AND A HAPPY NEW YEAR TO OUR WHOLE SCHOOL COMMUNITY! 😊

Kind Regards,

Mrs C Foulkes
(Headteacher)

Message from Miss Pye, (Head of Years 3 and 4) :

We have had a wonderful end to an eventful term. I would like to thank all of the children and staff for making it so special and memorable for all. We concluded our 'Robotiaid' topic with an amazing trip to the Xplore centre in Wrexham. We are so proud of them all, they showed great respect and it was an absolute pleasure spending the day with them all. They continued to use the skills they were shown on the trip in class, by coding our rugged Robots and BBC Microbits, making nametags, emotion badges and playing rock paper scissors to name a few! We were also treated to a spectacular dance showcase; all classes worked collaboratively and shared their mechanical robotic moves which was inspired by a classic Citroen car advert. All children have also had their book reviews published, there were many 5-star reviews for our

class novel, *The Iron Man* by Ted Hughes. All lower school staff have also been very impressed by the homework that has been completed this term on our Google Classrooms. Not only can you see some excellent examples of homework on the site, you can also have another look at our dance routines. Fantastic work!

There have been many special events this half term too; Diabetes Awareness Day, Odd Socks Day and Anti-bullying Week. In addition to all of these, we also managed to support Children in Need. All classes took the responsibility to host a stall for our charity event, as a whole school we managed to raise an

incredible £560.13! Ardderchog!

Over the last two weeks, there has been a lot of Christmas cheer in all lower school classrooms. The sweet sounds of the children singing up and down the school corridor has been magical! It has also been wonderful having all children taking part in our school Christmas production again this year. Our annual Christmas craft sessions were once again a great hit with the children. Finally, not only did the children have a belly full of sweets, they also a belly full of laughter at the Jack and the Beanstalk Pantomime in Rhyl. Oh no they didn't! Oh yes they did!!!

On behalf of the Lower School Team, I would like to wish you all a very Merry Christmas and a Happy New Year and we look forward to seeing you all in January. Nadolig Llawen a Blwyddyn Newydd Dda i bawb!

Message from Mrs James, (Head of Years 5 and 6):

Wow! Another busy, fun-filled half term! We continued to work hard on our COSMIC topic and have learnt fascinating facts about space and the planets in our Solar System. We even made space themed Christmas decorations as part of a live lesson with other schools all over the country. We ended our topic with an amazing experience inside a spectacular stardome! We have enjoyed working on our mini Christmas topic ending the term,

investigating traditions and sharing the true meaning of Christmas. Besides work on our topics, we have also enjoyed lessons about Anti-Bullying as well as planning for and organizing our own class events to raise money for Children In

Need. Wonderful teamwork and ideas! Our learning has not stopped at 3:15 though, we have all been impressed by all the homework that has been completed and shared on Google Classroom! Fantastic! If you were lucky enough to watch one of our productions of 'The Magical Christmas Jigsaw' I'm sure you'll agree that the children worked so hard in learning songs and lines and all put on such a fantastic performance! We are enjoying lots of Christmas fun this week with crafts, panto and parties! Phew! On behalf of the Upper School team, thank you for your continuous support, we wish you a happy and peaceful Christmas, making memories and having lots of fun! See you all in 2024!
