The School Council

#FriendlyFeedback has been our focus this half term within the school council!

We have wanted to know what the learners think of how they have received feedback in their lessons and across the school! We have been on learning walks taking photos, interviewing teacher and learners, prepared a survey and are looking forward to sharing the results from the survey with the school in our assemblies!

Eco Warriors Updates

The Eco Warriors embarked on an exciting new project this term.

We met with the Marine Conservation Society and launched our Ocean Friendly schools award. We created posters to help design special resources to spread the messages about the importance of the oceans and the issues.

We have now started our first step which is to explore the issues around Marine litter and pollution.

The Eco Warriors have also been out Gardening once a week with our Chair of Governors to help sort out the garden area in our woodland.

Criw Cymraeg Updates

Blwyddyn Newydd dda gan y Criw Cymraeg! We have had a very busy start to 2024. We have launched our monthly Podcast called Podlediad Criw Cymraeg, now available on Spotify! Diolch to those who have helped us with the making of the Podcast, we have even interviewed Mrs Redhead, our Governor and Town Councillor. We are also planning on interviewing staff from Ysgol Y Foryd in future episodes too, so keep listening! Our Criw and TAs have also received Urdd gemau training and will be sharing these during our Helpwr Heddiw sessions and at break times. Please keep a look out for our Canban Cymraeg next half term on our yard and certainly a lot more fun!

February 2024
