& Disabilities

STAND North Wales CIC
Stronger Together for Additional Needs
and Disabilities

STAND North Wales CIC is a Parent led organisation, which supports families with children, young people and adults with additional needs and disabilities in North Wales. We work with families and professionals and offer: A listening ear, training for parents and professionals, workshops for parents and carers, parent support groups, workshops and activities for all ages and abilities, family days, sensory lending library for families registered within Denbighshire and Conwy and lots more.

We are **UNABLE** to provide:

Counselling, advice on Mental Health needs, provide therapy of any kind, or Respite
Please note we are not core funded, therefore delivery of services will be dependent on funding secured.
